

# Aetna Medical Plan Changes for the 2026 Benefits Plan Year

## All Aetna Plans

- **New medical ID cards** will be provided to **all enrollees** regardless of if there is a plan change for the new plan year or not. Digital ID cards will also be available on the Aetna member portal as of April 1, 2026.
- The following plan design enhancements were available on **all Aetna plans** effective October 1, 2025:
  - **Maven Prenatal & Postnatal:** Comprehensive support for enrollee's unique journey, with virtual care available 24/7. Click [here](#) or refer to Aetna for more information.
  - **Maven Family Building:** Helps provide support towards parenthood with a focus on helping to find the shortest and most cost-effective paths for a healthy pregnancy. This includes helping enrollees virtually navigate through their options at all stages, from getting pregnant, choosing an adoption or surrogacy agency, or in vitro fertilization (IVF). Click [here](#) or refer to Aetna for more information.
  - Aetna Provider Search
    - **Smart Compare:** Helps enrollees choose a provider that best fits their needs.
    - **Intelligent Matching:** Leverages artificial intelligence and predictive analytics to generate tailored, enrollee-specific provider recommendations.
  - **Health Your Way:** Will replace Simple Steps for a Healthier Life wellness program and encourages enrollees to choose healthy behaviors through digital resources, enrollee discounts and access to a 24/7 nurse line. Please refer to Aetna for more information on this program.
- Effective October 1, 2025 the **behavioral health copay** changed for CVS Health Virtual Care as outlined in the chart below.
