

Douglas P. Devlin

Chief Financial Officer & Chief Operating Officer

Doug Devlin joined TriNet in 1989 and currently serves as chief financial officer. In this role, Devlin oversees all finance functions at TriNet. In addition, Devlin has also raised three rounds of private equity and one round of mezzanine debt financing for the company.

Prior to joining TriNet, Devlin founded and managed Integrated Health Care Technology Group, Inc., an IBM business partner providing advanced accounting systems and software to healthcare and technology-based firms. Devlin is a member of the Alameda County Workforce Investment Board as well as a frequent speaker at various outsourcing industry events. He also serves as chairman of the National Association of Professional Employer Organization (NAPEO) Accounting Practices Committee and is a frequent contributor to the NAPEO Insider magazine.

Devlin received his bachelor's degree from California State University-Chico, and his MBA in finance from Golden Gate University.
