

Blue Shield of California (BSCA) Medical Plan Changes for the 2026 Benefits Plan Year

- The following plan design enhancements were available on **all BSCA plans** effective October 1, 2025:
 - **Maven Family Building:** Helps provide support towards parenthood with a focus on helping to find the shortest and most cost-effective paths for a healthy pregnancy. This includes helping enrollees to virtually navigate through their options at all stages, from getting pregnant, choosing an adoption or surrogacy agency, or in vitro fertilization (IVF). Click [here](#) or refer to BSCA for more information.
 - **Blue Shield Connect:** Provides access to a dedicated care manager to help enrollees manage their healthcare which includes assistance with finding a doctor, explaining and finding treatment options, coordinating care with health care teams and supporting the processing of claims and authorizations. Click [here](#) or refer to BSCA for more information.
 - PPO network expansion. Please refer to BSCA for more information.
 - **Marsha Medical Group:** Virtual gender-affirming service provider designed to deliver culturally relevant care to the LGBTQIA+ community.
 - **Zócalo Health:** Virtual PCP provider for the Latino community.
 - **Dispatch Health:** Provides enrollees access to at-home urgent care and emergent care for non-life threatening illnesses. Available for PPO enrollees who reside in, or are visiting Orange, Los Angeles, Riverside or San Diego counties, or the Antelope Valley area. Click [here](#) or refer to BSCA for more information.
- Effective October 1, 2025, the **outpatient drug benefit** cost sharing changed for all BSCA plans for **brand drugs when a generic or biosimilar drug is available**, as outlined in the chart below. Please reference the client renewal site for further details.
 - “Price Check My Rx” on the BSCA member portal can assist with cost information for prescriptions.
